DEDICATION

It has been a characteristic of man through all ages to leave his best work marked with the name of a cherished one. We, the class of 1947, shall forever link in fond recollections the 1946 undefeated and untied football team. Therefore, we dedicate this, our yearbook, to you, football eagles, as a token of our appreciation for your bravery, sportsmanship, determination, responsibility, inspiration, perspiration, and good wholesome entertainment.

Foreword

There is a serious and resolute egotism that makes a man interesting to his friends. We trust the egotism of the staff in offering the 1947 Annual to their friends will likewise contain that spark of interest. Our book, we realize, has not reached perfection but it is the GRAY AND CRIMSON--ambition and courage--and as such we take great pleasure in offering it to the reading public, trusting that it may merit a timely perusal and a permanent place on the book shelf.

Board of Education

Alex Brack, Director

E. E. Hopkins, Treasurer

P. P. Kaiser, Clerk

As every play, motion picture, or theatrical production needs backers and administrators, so does an institution of learning need its Board Members. Otis High can feel justly proud to have this group of successful and influential men as the guiding factor of its destiny.

Their able and expert opinions have enabled this high school to become a leader in its field. Their foresight, perseverance and faith have helped this institution make a permanent growth--a lasting tribute to education in Otis, Kansas.

Many have been the trials and struggles in the history of this high school. Yet they are small indeed when compared to past accomplishments and honors to be attained.

Behind the various activities of Otis High, aiding and moulding our path of progress, has been this loyal group of board members. They have given generously of their time, talents and experience. Their unified efforts have brought us much.

As a gesture of appreciation, we give our whole hearted thanks to these men and earnestly hope we can prove worthy of their backing.

Faculty

An institution is no stronger than the men and women at the helm. Strength and courage to carry on the every day tasks and vision to plan wisely for the future are all exemplified in the Otis High faculty.

Class Poem

As we sit and idly ponder

Over the days that have gone by

How we wish that we might never

To each other say good-bye.

But the day is drawing nearer

When this senior class must part,

Each must go his way alone

Though he goes with aching heart.

For four long years we studied

With this great day in sight,

How the thoughts of Graduation

Always made our prospects bright!

For our teachers, we will cherish

Love and friendship while we live;

And for the care of us they've taken

Warmest thanks to them we give.

When we think of final parting,

Oh! how we would like to go

Back to where we one day started

Just some four short years ago.

Most historians have an introduction to their books, but as this history will not be given to students for reference or for class purposes, so will not go into the details of each phase of it. Nor will it interest many outside of those loyal students who embarked upon this journey.

We, the class of '47, may recall vivid, lasting high school memories--full of mingled laughter and tears, mature with the dignity of tradition and pulsating with modern initiative.

We started our high school career with an enrollment of thirty-four eager freshmen, brimming with that naive self-assurance that only freshmen possess, but had a lot less of it after initiation. However, we recovered in time to enjoy the parties during the year. Our class officers were: Bernell Kerbs, Robert Pearson, Deon Rankin, Billy French, and Carl Kerbs with Miss Mamie Helmerich, sponsor. Beverliann Kullmann played a leading part in the one-act play, "In the Suds" and rated a score of 20 out of a possible 21 points. The entire year passed rather uneventfully except for occasional battles between tests and our forces.

Our second year of high school began with the same manifest spirit of pep and good will under the sponsorship of Mrs. Melvin Torrey but had changed our title from Freshmen to Sophomore. Our class officers were: Robert Pearson, Edwin Haller, Luanne Lebsack, Deon Rankin, and Billy French. Irma Schneider was elected cheer leader, and Billy French played a part in the one-act play, "I Shall Be Waiting". Music achievements at the Hays contest include Beverliann Kullmann, superior rating and Luanne Lebsack, highly superior. Scholarship achievements were made by Billy French, who took third in General Mathematics, Bernell Kerbs, first in Business Arithmetic, Luanne Lebsack, second in English II and fourth in Geometry, and Joan Brack, third in English II. Ruby Sherbon from Plainville, Kansas joined our class during this year. We lost a number of our classmates who sought interest in other fields. They were Annetta Brack, Lloyd McLaughlin, Raymond Williams, Floriene Prosch, Betty Matal, Delores Engel, Carl Kerbs, Richard Fly, Ralph Reed, Byron Mohr, Norman Appel, and Maynard Scheuerman.

When we came to school as juniors, with an enrollment of twenty-eight, we added a few new members--Ruth Anna Andree from Bazine, Kansas, George Marlow from Hays, Kansas, Marian Kuhlman, Great Bend, Kansas, and lost Donarld Mater and George Marlow during the first semester. We also met a complete new faculty. Our junior year was a period of steady activity with Mrs. Wayne Geisert and Miss Ruth Shoemaker our sponsors. Class officers were: Deon Rankin, President; Ruth Anna Andree, Vice-President; Luanne Lebsack, Secretary; Leo Lang, Treasurer; and Bernell Kerbs, Student Council. Entries in the music contest were Luanne Lebsack, piano solo; Robert Pearson, Billy French, and Maynard Ackermann, trumpet trio; Maynard Ackermann, boys' medium voice; Beverliann Kullmann and Bernice Brack took part in the girls' triple trio; and Luanne Lebsack also a member of the triple trio; the girls' quartet and played as accompanist for the glee clubs. Our play "Sadie of the U.S.A.",

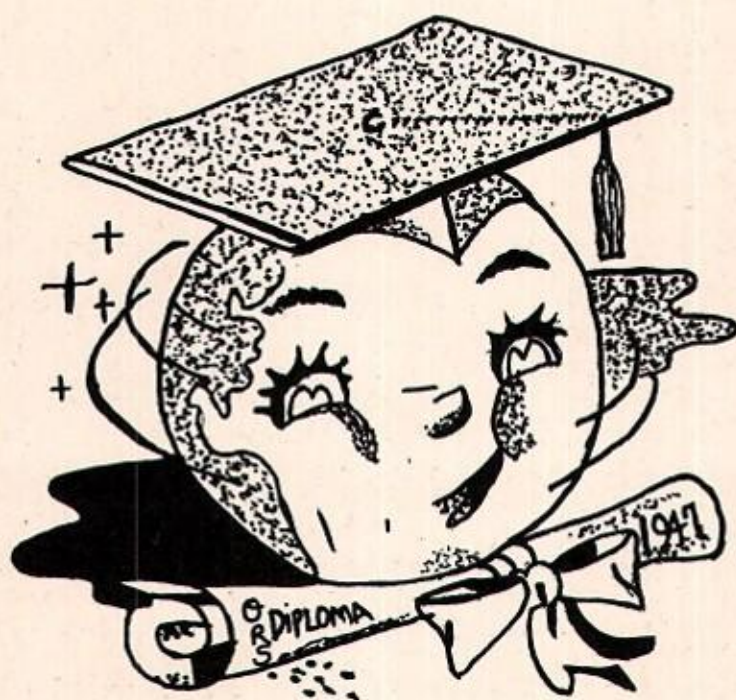

presented December 11, 1945 was among the highlights of our junior year. Scholarship achievements were made by Luanne Lebsack, first in Typing I, Fern Brack, third in English III, and Joan Brack, third in Bookkeeping. The most important event of the year was when we royally entertained the class of '46, on May 4, 1946 at a banquet, which conceded by all to have been successful.

Our senior year which began with an enrollment of twenty-five, has been a busy one. Doris Karst who came from Russell, Kansas was forced to discontinue school September 27 on account of being afflicted with poliomyelitis. We lost two of our junior classmates. Marian Kuhlman transferred to Great Bend, Kansas to complete her high school education and Maynard Ackermann enlisted in the army. Our laugh-provoking memories are headed by a class party held in the high school building in November, a successful senior play "Everything Happens To Us" and published the Gray and Crimson to increase our funds for the trip we made so called "sneak-day" trip. Among the last high-lights of our high school career was the banquet on April 26 at which time we seniors were royally entertained by the juniors.

We were seniors together when all were saddened by the passing of our dear friend, teacher and county superintendent, Harvey H. Manahan.

In the years to come these memories will mellow according to the frequency with which they are recalled--no regrets, no misfortunes, only the carefree joy and happiness which accompanied our "dear old golden rule days".

A few years hence, pick up this book and look at it during your pipe dreams, or when you have the blues, and be in ORHS once more laughing at the pranks of the unforgettable characters of the class.

SENIORS

One evening, all zealous in our pursuit of knowledge, we sat by the fireside paging through a magazine dated September 1, 1957. The editor of this magazine is Leonard French, who is also the famous lawyer, Paul Herman. Leonard has adopted this second name because he is so famous; and two names are less confusing in his two vocations.

Hubba, Hubba!! Look at that profile on the cover! Let's turn the page and find out all about her. Ah, here is an article about the cover girl. It's Ruth Anna Andree, remember her? She has been voted "Miss Cover Girl,----Boing!!" by the famous lawyer, Paul Herman.

We come to the picture pages. These pictures were taken by Robert "Flash Bulb" Maier and Eugene "Click" Cuthrell. "Flash Bulb" has invented a new type of camera which requires only a bulb--no camers. "Click's" favorite quotation is, "Look at the monkey", after which he steps our from under the black cloth and gives a unique demonstration.

Paging on, we see a picture of Melvin "Stick 'em tight" Richter. He has now set up an annual year book publishing industry and he specializes in the informal page by using his special glue.

Last but not least, we turn to an advertisement. We look closely, and again we look closer, Oh no! It couldn't be! But it is, Leo "Muscle Bound" Lang, posing his beautiful and shapely legs for Berkshire nylons. This is only his favorite pastime. Otherwise, he is under the training supervision of his managers, Bernell "Fish" Kerbs and Alvin "Abercrombie" Schugart. Next season "Muscle Bound" is up against the flea weight champion, Eddie "Crusher" Haller, who gains his strength by consuming enormous amounts of string beans. His manager is Fern "Blusher" Brack who blushes everytime Crusher walks into the ring without a shirt on. When not acting as manager for Crusher, Blusher idles away her time on her dude ranch in Wyoming, and Crusher is under contract to act in the Joan Davis show as Dr. Crenshaw.

Bernell and Alvin, when not busy with Leo, are the owners of a race track in Monte Carlo and run a gambling casino for good measure.

There's a rumor going around that Beverliann Kullmann will make her next appearance in the 3,000-capacity auditorium which was recently added to ORHS. Miss Kullmann is accompanied by the famous composer,

Billy French whose latest song is entitled "Baritone Blues". Miss Kullmann and Mr. French are on tour during six months of the year and they feature Miss Kullmann's violin playing (playing, that is) and Mr. French's baritone playing.

Beverliann's violin was a gift from the world-famous violin-maker, Bernice Brack, who is also the author of a series of books named HOW TO MAKE YOURSELF ATTRACTIVE WITH RED HAIR.

A call just came in saying that doctors and nurses are needed at the famed Robinette-Gleissner Clinic where Lillian Gleissner and Bobbye June Robinette are two famous lady doctors who work their cures on any one who has money. Lillian had just performed a bloodless operation on Melba Michaelis who received efiflopitus in a fall from the high trapeze. Melba started work in a circus shortly after leaving ORHS, and reached the height of her career before her fall.

Bobbye June is currently busy lining the stomach of Irma Schneider, who is the fire and glass eater with the same circus with which Melba is working. Bobbye June has concocted a new type of lining made of old innertubes (off Irma's Model A) and asbestos shingles.

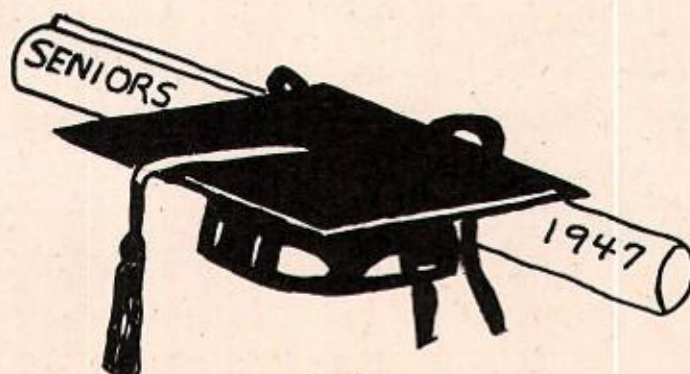

We go to visit Irma and she tells about Deon "Stinky" Rankin who, at one time was a hula dancer with the circus, but left to pursue her unusual career of teaching men to rhumba. We go to see Rankin for a rhumba lesson, but she refuses to teach us because we're not men enough. Deon tells us that she has just heard from Luanne "Skipper" Lebsack who is on her enormous fishing yacht in the Caribbean. Her latest catch is known as the swordless swordfish, the only one of its kind in the world. Skipper is very proud because her picture will now appear in "Sports Afield".

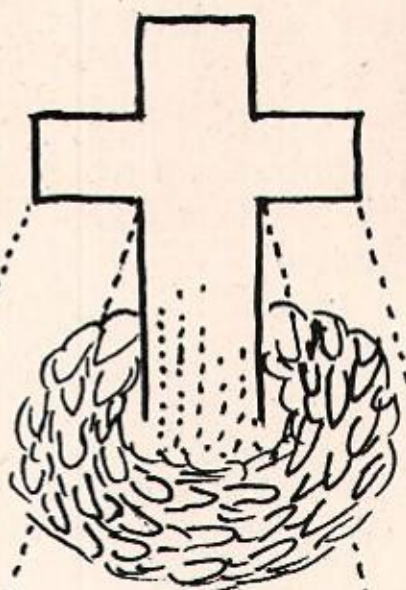

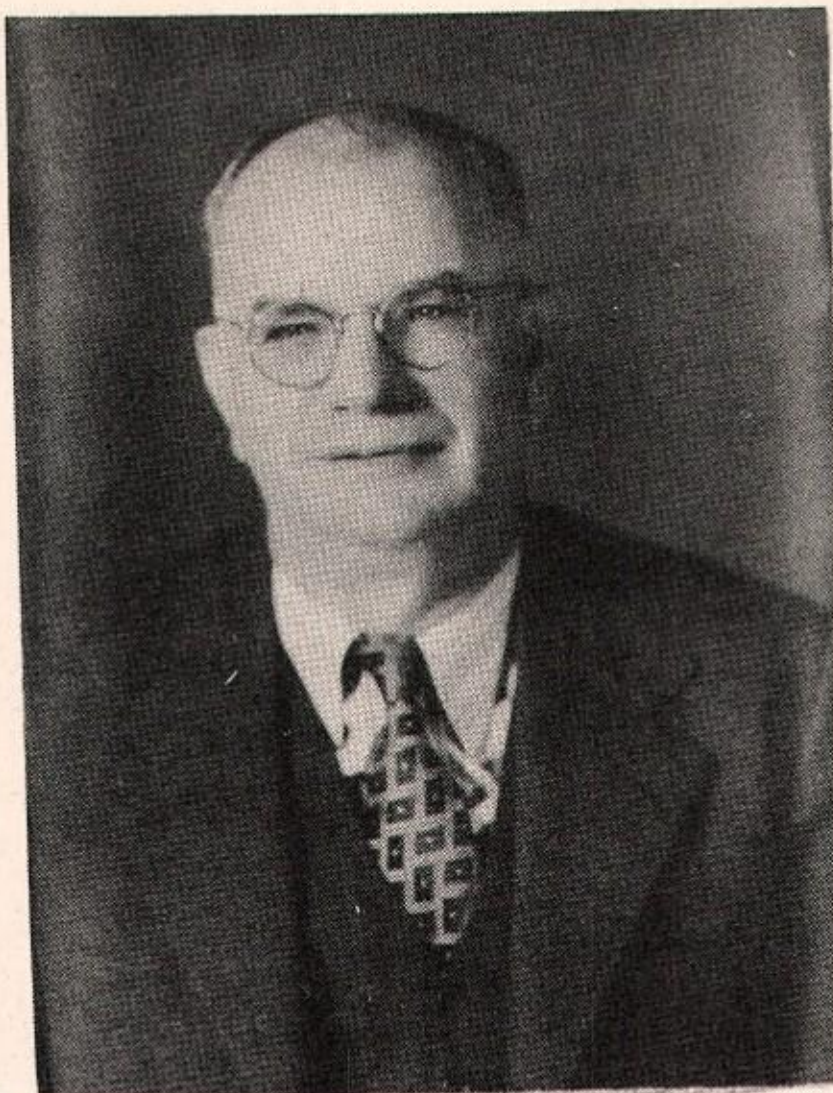

Searching for a wider knowledge of our government we journey to D. C., Washington where we find, in the Blue House, President Robert Pearson who was elected on the Prohibition ticket. We are greeted by Nila "Drink up, boys, it's on the house" Jones who is the Secretary of State and also Robert's most fanatical booster. Nila and Bob have revolutionized the country by prohibiting, not liquor, but all makes of automobiles except Chevies and Fords.

We pick up the Congressional Record and read about the three Congress-women who are on vacation in Canada. They are trapping for furs. We find them to be former ORHS students: Joan "Black Sheep" Brack, Ruby "Polar Bear" Sherbon, and Lorene "Sable" Hampel. These three girls are famed for trapping the evasive silver fox of the North.

These are the top people in the news in this year of '57. We have found that many of them have strayed from the course they chose in '47; which all goes to show that "you just can't tell".

Now there is the list of our twenty-four
We've told it to you as it was told us heretofore;
Then friends, let's be patient, perhaps we shall see
If any of truth should here happen to be.

IN MEMORIA

HARVEY A. MANAHAN

HE IS JUST AWAY

I cannot say, and I will not say
That he is dead,--he is just away!
With a cheery smile, and a wave of the hand,
He has wandered into an unknown land,

And left us dreaming how very fair
The needs must be, since he lingers there,
And you--Oh you, who the wildest yearn
For the old-time step and the glad return,--

Think of him faring on, as dear
In the love of There as the love of Here;
Think of him still as the same, I say:
He is not dead--he is just away!

THE FILM OF THE JUNIOR CLASS

This film has been three years in the making and has been produced at a stupendous cost (if you don't believe it just ask the folks at home).

REEL ONE

The film opens on September, 1944, when a group of children wended their way to Otis Rural High School, they found the portals swung back and with joyful, happy hearts they ascended the steps. They are conducted to enrollment bureaus. Having given sufficient evidence that they are aware of the journey they wish to make, their tickets are labeled and classified and then they made a rush for their destination, the classroom. When they have been ushered to their seats their sponsor, Miss Mamie Helmerich surveys the cast and finds it consists of thirty-two boys and girls. This reel is full of action which is enlivened by electing Wayne McCurdy, President; Marvin Schlegel, Vice-President; Dolores Mausolf, Secretary; Elman Schlegel, Treasurer; and Delta Marie Brack, Student Council representative. They chose old rose and blue for their colors, the orchid for their flower, and "Foreward Ever, Backward Never" as their motto. In the course of the presentation, eight of the sturdy adventurers were active in athletics. Marvin Schlegel and Duaine Folkerts played a part in the one-act play "I Shall Be Waiting." The entire class was well represented in the extracurricular activities to show their respected elders that while they were "green" they were determined to do their best, although a few of the characters dropped by the wayside in trying to investigate the necessity of Algebra or English. This reel closes with some uncertainty as to the future of the class.

REEL TWO

After a brief space of time we find familiar faces on the screen but occasionally a new face appears--our good example has encouraged others to join our number. The portrayal is now known as the Sophomore class. The canvass has a more subdued aspect with only twenty-six to continue the journey with Marvin Schlegel, President; Ina Mae Mausolf, Vice President; Eva Jean Schlegel, Secretary-Treasurer; Eldon Matal, Student Council; and Miss Edith Miller, sponsor. A very active and colorful picture appears of the class developing socially and physically by roller skating in Great Bend. One of the most thrilling events of this reel is the winning of the REN League Football Championship in which the Sophomore stars took an active part. After bidding adieu to Geometry and kindred subjects, we wish to close the scene.

REEL THREE

Again, twenty-four classmates meet on a common level. No new faces peering about, but one student found interest in other fields, and Marion Scheuerman transferred to Ellis, Kansas, to journey on with his education. Eager Juniors, each ambitious and interested in attaining the goal. Commercial students may be seen demonstrating their skill in acquiring accuracy and speed. Constitution afforded many occasions to stride to the library in search for John L. Lewis' or Harry Truman's opinion on "Strikes." Dolores Mausolf, played a part in the one-act play "Nobody Home" in the league festival. Marvin Schlegel was re-elected for the Junior Class Presidency. LeRoy Dietz, Vice-President; Jean Tammen, Secretary-Treasurer; and Eldon Matal, Student Council. Two sponsors, Mrs. Dorothy Biggs and Mrs. Marjorie Hartman appear on the scene. Next comes their play "Mumbo-Jumbo" presented November 12, which broke all previous ticket sales records except one. Again, we are thrilled in this reel of the Football Championship of which Marvin Schlegel and Eldon Matal are co-captains. With the climax of this reel vested in the Junior-Senior Banquet on April 26 and the general respect and regard paid to the Seniors, we close it with the fulfillment of the assignment of the JUNIOR CLASS.

SOPHOMORE CLASS HISTORY

Once into the portals of wisdom
When September's sun shone bright,
Came twenty-three bright-eyed children,
Oh, their greenness was a sight.

In 1945, as Freshmen they held their first meeting and elected Joan Mausolf, President; Carl McCord, Vice-President; Vernon Gleissner, Secretary; Leonard Kerbs, Treasurer; and Loren Hartman, Student Council Representative with Mrs. Leslie Schroeder and Mrs. Martin Hemken, Sponsors. Blue and silver were chosen as the class colors, pink carnation, the flower, and "Do it well", the motto. Wayne McCurdy withdrew from school during the first semester and two new students, Carolyn Campbell and Kathryn Stone, enrolled as freshmen during the second semester.

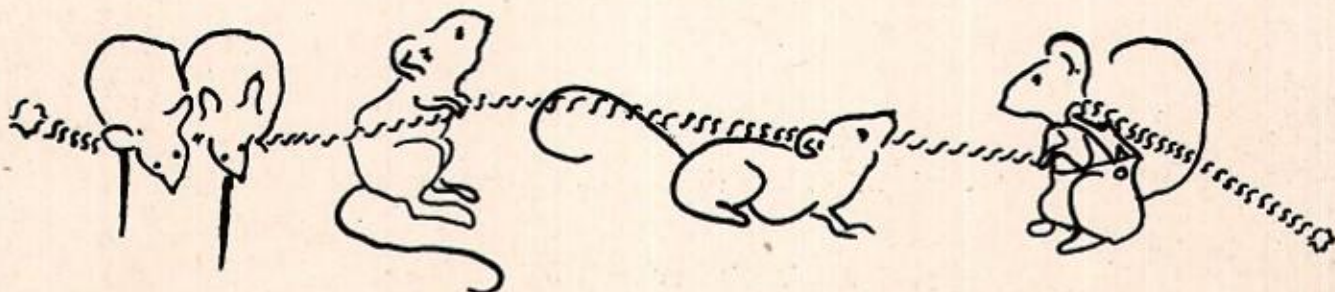

When school started in 1946, the class found that they had gained two new students--Kenneth Schmidt from Enterprise, Kansas and Richard Hackler from Wynona, Oklahoma, but lost six members, Mildred McCord, Carl McCord, Phyllis Quimby, Kathryn Stone, Carolyn Campbell and Francis Kulhman. The class organization consist of a President, Gottfried Kolb; Treasurer, Corrine Schlegel; Student Council, Leonard Kerbs; and Sponsor, Michael Biggs. At the October hobo party Gottfried Kolb copped first prize for being the best dressed hobo. The class was active in sports and other extra activities.

In our rank now as Sophomores
Oh, we feel the symptoms now
And we listen to the rumors
With a wrinkled, knitted brow.

Sophomores now so happy and gay,
And just two happy years to wait
The mist will vanish from our eyes
As we sight the Senior gate.

Still pursuing, still acquiring
As we labor day by day
Noble deeds are still transpiring
Duty first, come what may.

Oft there will be a vacant space
When the Sophomore class must sigh
Fond memory cannot efface
The golden days of Otis High.

FRESHMEN CLASS HISTORY

Although it seems impossible for the history of the Freshmen Class to be as long and brilliant as the other classes, nevertheless, interesting things have happened in the Freshmen circle this year.

In September, 1946, twenty-one freshmen entered ORHS to take another step up the ladder of education. At the first class meeting Merlin Meisinger was elected President; Maynard Brack, Vice-President; Billy Krestine, Secretary; Velda Wilhelm, Treasurer; Lois Jean Appel, Student Council and John Sipe appointed as sponsor.

Before the greenish color began to fade the cold; aristocratic Seniors looked upon them in contempt and initiated them to the ways of the beloved school, by making them wear tacky clothes, showing due respect to upper classmen and closed the day with an all school picnic supper.

At the January meetings and with much deep concentration they selected "United we stand; divided we fall" as their motto; blue and white, class colors, and American beauty rose as their flower.

As time past they became better acquainted with the school affairs and were well represented in all school activities.

WE FRESHIES

They call us "Little Freshies"
And we feel we are abused--
But soon we'll show our elders
That our time we have well used.

This little class of Shamrocks
On fertile soil is growing;
And tho' they call us Freshies
We are very, very knowing.

We're always out for work or play
In any kind of weather;
But work or play--in rain or shine
I'm sure we'll always stick together.

And though we're only Freshies
This group of twenty-one
We recognize our title "Green"
But we'll blossom one by one.
So after all, we're not so bad
When you come to think it o'er
For we have to pass the Shamrock stage
To be a Sophomore.

JUNIOR PLAY--MUMBO JUMBO

The Junior Play, "Mumbo Jumbo", a three-act comedy was presented on November 11, in the high school auditorium. The play was directed by Mrs. Karl Hartman, head of the English department.

Dick Reynolds, played by Marvin Schlegel, and Pee Wee Smith, played by Duaine Folkerts, were two college boys who arrived at the country home of Dick's uncle, John Reynolds. The two boys found that Uncle John and Aunt Sarah, who were portrayed by William Folkerts and Ellen Dirks, were called away to a funeral and the boys had the house to themselves.

Finding that the money, which Pee Wee has brought along as alimony for his wife, Peaches Greeding, a chorus girl, is missing, they decide to turn the house into a country hotel in order to earn money. Pee Wee married Peaches (Shirley Reimer) in a weak moment and the money was to be used as alimony for divorce.

During the night the two boys, aided by Tweedy (Delta Marie Brack), a neighbor girl, gain a collection of ill-assorted guests including: Harold Custer (Gene Dunbar), a polite young man; his mother, Mrs. Custer (Ina Mae Mausolf), a very timid old lady; Monahan (Marvin Wagner), a state policeman who threatens to arrest Dick and Pee Wee for putting up their sign on the highway; Peter Beamish (Wayne Peterson), a blind man; Doctor Gaza Omahondra (Jimmy Moore), a West Indian mystic; his ward Kay Semedi (Dolores Mausolf), Madame Celesta (Evelyn Stegman), a native witch-woman; Lem Marblehead, (Elman Schlegel), who is sheriff of Milburn County; Miss Emma Burpee (Jean Tammen), sheriff of Hope County; and Daisy (Violetta Oetken), Emma's ten-year-old neice.

The play involved a necklace that kills and several people were murdered. The mystery, however, was finally solved by Dick Reynolds and Daisy.

ONE-ACT PLAY

The One-Act Play, "Nobody Home," a comedy was presented on November 22 in the high school auditorium. The play was directed by Mrs. Karl Hartman, head of the English department.

Bob Prentice (Kenneth Satterfield) a young high school boy who tried to impress his girl-friend, Vicky Ross (Delores Mausolf), by telling her that he would get her ten ticket sales to the art tea which was to be presented by the Women's Culture Association. Finding himself stuck with the ten tickets which, nobody wanted to buy, Bob and his friend Stan Carter (Gottfried Kolb), tried to hide out in the home of Bob's Aunt, Bertha Webb. Aunt Bertha (Fern Brack) was gone all day; so the boys thought their scheme was a cinch.

Bob's little sister, Doris (Lela Mae Kruetzer), however, brought Vicky over to Aunt Bertha's home; so Bob and Stan made believe that Mr. Fitts (Leonard French), the plumber was a brain specialist attending to Miss Webb who was supposedly to be mentally ill.

Everything was straightened out in the end however, when Miss Webb come home and bought the ten tickets for her Church Circle.

PEP BAND — LOTS OF PEP

"RISE YE MEN OF OTIS HIGH SCHOOL!" The students rise as one, stamping their feet, clapping their hands and singing lustily as the band swings into the rausing strains of "RISE YE MEN OF OTIS HIGH SCHOOL." At football or basketball games, the pep band is always present, doing its bit to urge the team on to victory. Flashy, between half, marching performances have done much in giving Otis games real color.

As a token of appreciation the Walco Construction Company presented a chrysanthemum to each member, their director, Paul H. Andree and the cheer leaders.

We are not accustomed to the language of eulogy but we say that if all that has ever been said by poets and orators in praise of philanthropy be applied to Mr. Paul H. Andree it would not do him justice. He is a spendthrift in energy and devotedness in his instruction to this beginners band.

Only six months ago the "Beginners Band", as it was then called, contained only 15 members! After three months, immediately following, there was a slight increase in the enrollment of the band. Through Mr. Andree's untiring efforts he raised the enrollment to 23 members and by passing the test they were promoted to the advanced band.

The first performance was a beginners band concert; then in the R E N League and district music festivals with the advanced band.

Rat-a-tat-tat-tat, rat-a-tat-tat-tat--the Otis high band, all crimson and gray precision, marches down the football field. Prancing drum majorette, cheering students, and inspiring yells all contribute their share of emphasis to the school spirit and pep on the school premises.

Mixed Chorus

As entertainers, the mixed chorus of Otis High consisting of both boys' and girls' glee clubs, rank high. At various times they were called upon to give concerts.

Oo oh oh a e, mi mi mi mi, were some of the sounds heard issuing from the music room as the group rehearsed.

All in all the Mixed Chorus brings much credit to the school by their performances. This credit is extended to Mrs. Martin Hemken, who has worked hard with this group. Luanne Joy Lebsack can not be forgotten either as the accompanist of the group.

AND WE SHALL HAVE MUSIC

Activities in the Music Department began September 19, 1946 when the band, financed with money made by giving concerts during the summer, went by bus to Hutchinson to appear on the "Governor's Day" and the Kansas State Fair programs. Previous to the opening of school the Otis High School band was heard in appearances at the Rush County Fair at Rush Center.

First performance of the vocal department was a group of three songs by the Girls' Glee Club presented between acts of the Junior Play, November 11.

A joint program by the band and vocal department was heard December 10, the first half of the program consisting of band selections under the direction of Mr. Paul H. Andree, followed by the piano and voice students of Mrs. Martin Hemken.

December 19, found the vocal department entertaining patrons with the annual Christmas pageant "The First Christmas" arranged and directed by Mrs. Hemken. The pageant portrayed in pantomime, Biblical quotation, and music the story of Christ's lowly birth, the adoration of the shepherds and the visit of the Magi. Highlight of the evening was the candle-light procession of robed carolers.

On March 4, 1947 the department furnished special music between acts of the Senior play and on March 27 represented the school at the REN League Music Festival at La Crosse with the following numbers: Band, Brass Sextette, Trumpet Trio, Flute solo (Bernice Brack), Trombone solo (Kenneth Schmidt), Mixed Chorus, Girls' Glee Club, Boys' Glee Club, Boys' Quartette, Boys' Sextette, Girls' Trio, Girls' Sextette, Girls' Triple Trio, Piano solo (Luanne Lebsack and Joan Mausolf), girls' high voice (Violetta Oetken and Ellen Dirks), girls' medium voice (Ruth Anna Andree and Dolores Mausolf), girls' low voice (Luanne Lebsack), boys' high voice (Marvin Schlegel) and boys' medium voice (Kenneth Schmidt and Eldon Matal).

A group of the festival entrants helped a similar group from La Crosse present a program for the Rush County Pro-Art Music Club, April 1. Other activities that month were a concert by the beginners' band, a concert of the festival music and participation in the District Music Festival at Hays, April 11 and 12 where we were represented by the following additional students: Beverliann Kullmann, girls' high voice; Billy French, boys' medium voice; and Alvin Schettler, boys' low voice.

In May the groups furnished the music for class night, baccalaureate and commencement. Throughout the year the musicians furnished special numbers for various church and club functions.

SENIOR PLAY--EVERYTHING HAPPENS TO US

The Senior Play, "Everything Happens to Us", a three-act comedy was presented on March 4, in the high school auditorium. The play was directed by Miss Pauline Brungardt, head of the Commerce department and Mr. Paul H. Andree, Principal.

The Ross family is excited because Rhett, their oldest son, (Billy French), is going East to marry the daughter of a multi-millionaire who owns a string of five and ten cent stores, in one of which Rhett has been working. Mrs. John Arthur Ross, (Bobbie June Robinette), who always tries to "live up to the Joneses" decides that their old home isn't good enough for such a wealthy daughter-in-law, so she takes advantage of a Federal Financing Act to buy a new one, which she and her two younger sons frantically try to redecorate before Rhett comes home with his bride. The younger Ross boys are not much help. Jay, (Leonard French), is a high school boy whose forte is the constant practice of mental telepathy. Ronald, (Leo Lang), is an embryonic genius with a penchant for writing bad jokes. Naturally they both have their "crushes." These are Gloria Thatcher, (Ruth Anna Andree), and Martha Fay, (Luanne Lebsack)--two lovely young girls brimful of ideas. Then there is Esther Todd, (Beverliann Kullman), the beautiful but mysterious maid; Josephine Cartwright, (Fern Brack), a spinster with asthma; Charley Duncan, (Alvin Schugart), a man-of-all trades who invents things; Ike Hicks, (Eddie Haller), a know-it-all telephone employee, and Iva Sorrel, (Ruby Sherbon), a real estate woman with a sad demeanor and a sadder sense of humor. Mr. John Arthur Ross, (Bernell Kerbs), a chemist who is experimenting with garbage to make an inexpensive hog food from the wastes of the table so that someday he would become rich.

Each one of these characters successfully muddled things up for the harrassed family and the tragedy comes when Rhett telephones from New York to say that the millionaire has suddenly changed his mind and will not allow Rhett to marry the girl! Things happened fast from then on. When Rhett returned from New York, he was greeted by his fiancée, who was the maid.

OUR PURPOSE IS:

To build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians.

In this endeavor we seek to understand Jesus, to share his love for all people, and to grow in the knowledge and love of God.

OUR MOTTO:

"I am come that they may have life, and that they may have it abundantly."

OUR SONG:

"If we can grow as simply as common blades of grass
Both tall and straight as trees grow to the sky;
Then we can learn to know, to know and understand
Ourselves and others, what we do and why.
We the younger generation are striving now to build a
better world.
Peace and unity, freedom and brotherhood--these we have
set to be our goal."

"RAH, RAH, RAH, Otis"! echoes through the gym or on the football field. A large group of mostly girls and some boys form the heart of the cheering section at all athletic events. The Pep Club lead the pep rallies and often sponsor pep assemblies. The organization is sponsored by Pauline Brungardt with the efficient help of the cheer leaders--Luanne Lebsack, Ruth Anna Andree, Irma Schnieder, Kenneth Satterfield.

Track Squad

This is the first year Otis has had a track team for some time. Their coach, John Sipe, is known for his track ability in both high school and college.

The boys went to Sterling Saturday, April 5, and this was the result. Eldon Matal took 2nd in broad jump with a jump of 20' 2 $\frac{1}{2}$ ", and 3rd in 100 yd. dash. Marvin Schlegel qualified for finals in 220 yd. dash. Leonard French ran the mile in good time of 5 min. and Richard Hackler ran half mile in 2 min. 27 sec. The 880 relay consisting of Matal, E. Schlegel, M. Schlegel, and Kreutzer made time of 1:42, while winning time was 1:41. They plan to go to Hays April 26, and will probably enter a few track meets in between that time.
